Each year as the New Mexico Legislature convenes, the City has an interest in both policy development and capital outlay allocations. In order to effectively advocate for the City's policy priorities, the City's lobbyist, Larry Horan, will conduct individual meetings with councilors to ascertain their areas of interest which may include housing, crime, tax policy, or other principles. PURPOSE(S) OF DISCUSSION: ☒ Inform/Update ☒ Direction/Guidance ☐ Legislative
Development/Policy

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The initiation of the Realize Las Cruces project began in the spring of 2021. The City of Las Cruces hired Freese and Nichols, Inc. (FNI) to update the land development and to implement the land use policies of Elevate Las Cruces Comprehensive Plan. The project has three distinct phases including Phase 1 - Code Diagnostic, stakeholder engagement, and current conditions assessment; Phase 2 entails the drafting of the updated development codes; and Phase 3 - is adoption of revised development codes.

Phase 2 and an initial draft of the development codes were completed this spring. An initial public review of the draft was conducted in March. FNI has revised the initial draft and will update the City Council with the major revisions to the development codes and outline next steps.
