BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The City of Las Cruces (City) received a direct allocation from the U.S. Treasury under the American Rescue Plan Act (ARPA) for the Coronavirus State and Local Fiscal Recovery Funds, which provided a substantial infusion of resources to help turn the tide on the pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery. The City received the first tranche of funding in the amount of \$12,379,913 on May 19, 2021. The second tranche, in the same amount, was received on June 14th, 2022.
