Council Work Session Summary

Meeting: Work Session - Feb 09 2026

TITLE: PROPOSED GRT PRIORITY PROJECTS.

PURPOSE(S) OF DISCUSSION: ☐ Inform/Update ☒ Direction/Guidance ☐ Legislative
Development/Policy

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

A follow up discussion to the FY27 City Council Budget Retreat regarding priority projects utilizing gross receipts tax (GRT) funds generated raised from the 0.325% GRT increased approved by voters in November 2024.

To maximize the number of projects that can be completed, the City plans to leverage this new revenue by issuing bonds. The tentative proposal includes borrowing approximately \$20 million every two years, with GRT revenues used to cover the associated debt service, ensuring the City can meet its financial obligations. Any additional revenue collected could be allocated to support routine maintenance and smaller projects to help maintain the City's aging infrastructure.

PLAN(S):

Elevate Las Cruces
